

Where did Spring 2007's podcast go?

Since Fall 2007 is now in progress,
you may have noticed that content from Spring 2007 is no longer in E-259's podcast!

Never fear. Spring 2007's content is still available but via a new URL. To (re-)subscribe to last year's podcast, simply tell your podcast client that you'd like to subscribe to the URL below.

<http://www.fas.harvard.edu/~cscie259/podcasts/2007/>

Alternatively, visit

www.fas.harvard.edu/~cscie259/

and click the link entitled "Podcast" in the site's lefthand menu.
Then, on the page that appears, click the link entitled "Spring 2007's podcast"
to access last year's content via the Web.

In the meantime, if you also remain subscribed to

<http://www.fas.harvard.edu/~cscie259/podcast/>

you'll continue to receive new and improved content from Fall 2007 as it's released!
