

## Where did Spring 2006's podcast go?

Since Spring 2007 is now in progress,  
you may have noticed that content from Spring 2006 is no longer in E-259's podcast!

Never fear. Spring 2006's content is still available but via a new URL. To (re-)subscribe to last year's podcast, simply tell your podcast client that you'd like to subscribe to the URL below.

`http://www.fas.harvard.edu/~cscie259/podcasts/2006/`

Alternatively, visit

`www.fas.harvard.edu/~cscie259/`

and click the link entitled "Podcast" in the site's lefthand menu.  
Then, on the page that appears, click the link entitled "Spring 2006's podcast"  
to access last year's content via the Web.

In the meantime, if you also remain subscribed to

`http://www.fas.harvard.edu/~cscie259/podcast/`

you'll continue to receive new and improved content from Spring 2006 as it's released!
